Re: Water Right Change Application Nos. CS3-00481C@1, CS4-26684C@1, and CS4-29264C@1

Dear Ms. Bailey and Mr. Miller:

We received your temporary water right change applications and have assigned them the numbers above. Please include these numbers in all future contact with us; it will help us serve you more quickly.

Your next step is to publish legal notices. The notice announces the proposed water use to the public and allows interested persons to comment. We have prepared and enclosed this notice for you.

Review Legal Notice Carefully

It is your responsibility to check the notice carefully before having it published. If you find an error, please contact this office for resolution. If we later find an error in your public notice, you may be required to publish an amended notice at your expense.

Publishing Legal Notice

You need to arrange and pay for publishing the legal notice in a newspaper in Douglas County.

- Publish the notice in a paper from the enclosed list.
- Select a newspaper with general circulation in the area the water will be used and diverted.
- Ensure that the notice appears once a week for two consecutive weeks.

If your published notice does not meet the above criteria, you will be required to have the notice republished at your expense.

Publication should start within 30 days from the date of this letter.

FILE COPY
